

This is Gospel Of God Ministries ninth official year of preaching the Gospel all over our great Saviors' earth. Reading the book of Isaiah, I was struck by this verse:

“And He will delight in the fear of the LORD, And He will not judge by what His eyes see, Nor make a decision by what His ears hear” (Isaiah 11:3).

This is a prophetic verse of the coming Messiah who obeyed the Father until death, even death on a cross. Helping people understand the fear of God is one of the tasks of GGM. We also want people to respect God in righteousness and begin a life of delighting in Him- as a child delights in a cold, sweet treat on a hot summer day.

This delight is given by God as a life is transformed by hearing this amazing Gospel. We are eight months into the year and have seen the power of God at work. Sharing God's Word brings a proper fear of God to the souls of unbelievers, encourages cultural Christians to examine their own souls, and strengthens genuine believers toward their path of greater obedience.

This year, we have added a new leader to our team—Bryan Braddy. He will introduce himself in this newsletter. You will also learn how to “pray for Seth Richardson” in his respective harvest field post.

We have hopes to add one more leader to the team before the year ends, which will bring our total number of leaders to nine.

Our long-term vision is to have a one to one

ratio. Every healthy church should have a healthy evangelist that is properly trained to encourage the church and proclaim the Gospel in their respective harvest field post. The next phase would be to have a healthy evangelist inside of every church in the world.

This is a God-size vision only He can accomplish! I would be remiss if I did not ask you to pray about becoming a champion for this God-sized vision. Go proclaim the Gospel to see a life transformed.

## No Longer Silent—Melanie Waltz

I can no longer sit silently. I can no longer swallow my voice down. I can no longer...

I have stood at the abortion clinic in Raleigh for over two years now, and I have remained silent for too long. You might ask, “Why?” Why have I remained silent?

Honestly, I think it has been because the clinic is so much to take in. In this short page, there would be no way to share all of the stories from my trips to the abortion mill. In the last two years, I have felt the emotions of sadness, anger, shame, horror, and encouragement. But I will admit that most of those emotions are on the same day. It is very hard to articulate what happens at the abortion mill and why I feel a burden to be there weekly as part of GGM. Finally, I will try to put my thoughts into words.

Friends, we are living in a time that is honestly quite concerning. We live in a time where we turn a blind eye if the law/government says abortion is legal; a time where everyone has rights, and we turn a blind eye; a time where everyone does what makes them happy, and we turn a blind eye; a time where people call themselves Christians but turn a blind eye to the murder of babies, because God forgives.

I honestly wonder how we got here. I worry about the future of our children and grandchildren. This is a day and age where no one judges, no one condemns, and no one speaks the truth for fear of offending. This is a dangerous place to be. We must pray harder than we have ever prayed before. I want to tell you what happened to stop my silence.

I arrived at the clinic (just like each week in the past). As Tommy and I got started, I noticed two women sitting out front waiting for the clinic to open, including another car with two other women waiting. Tommy began calling out to them with the truth from the Bible. The ladies got out of the car and went to the building to wait for the doors to open, all while listening to the truth. But the sad truth is they refused to listen, got angry, and then voiced their opinion.

The older woman told us that we were wrong, that the baby “wasn't a baby yet” and “with the way the world is, why would anyone bring a baby into this world.” In the end, she said God forgives so it wouldn't matter what she did. [WATCH THE ENCOUNTER HERE](#)

Twenty minutes later, a nurse for the clinic pulled in and got out of her car, she wanted to tell us: “I am a born-again Christian, a chaplain, and I believe God has called me to work here and help these women. I sometimes pray with them and help them.” After she finished, we responded with, “Where in the bible does it say murder is ok?” [WATCH THE ENCOUNTER HERE](#)

*Psalm 14:1 The fool has said in his heart, There is no God. They are corrupt, they have committed abominable deeds; There is no one who does good.*

My name is Bryan Braddy, from Wake Forest, NC. I have been a leader with Gospel of God Ministries for about 3 months now. I have been going out with Gospel Of God at many of the special events in downtown Raleigh, Super Bowl Outreaches in San Francisco, Houston, Minnesota, Kentucky Derby, Coca-Cola 600 in Charlotte, and Friday Nights on White in downtown Wake Forest.

I began by just handing out gospel tracts, but soon was having conversations with people about Jesus, and finally open-air preaching for the first time in San Francisco. I believe that God is using Gospel of God to equip believers and encourage them to share their faith as they did for me.

Please pray that the Lord will open the hearts and the eyes of the lost to the Gospel. Pray for my son Colin, who is 19, that he will continue to study God's Word and become a Godly man as he leaves our home and returns to college.

Please pray for my wife Emily, as she starts a new school year as a preschool teacher.

Pray that my younger son, Aidan, grows in his faith and that Dylan, my youngest, would profess the Lord as his Savior. Thank you and God bless!

## Seth Richardson

I have been preaching with GGM for 3 years now, my first event being Speed Street 2016. I was introduced to Tommy Waltz and GGM by a brother who knew I had a passion to reach the lost and to learn Open Air Preaching.

My post as a GGM team leader is in Durham, NC. The city is known for its activist roots to its current reputation as a progressive Southern city which champions itself as an LGBTQ friendly city. I often encounter professing atheists, those who practice eastern religion, Jehovah's Witnesses, and Muslims. The Black Hebrew Israelites also have a growing presence in Durham and they are having great influence over the urban community. Given the great diversity of worldviews and religious beliefs in Durham along with my relatively short time as a Christian and Evangelist, I would really appreciate prayer for boldness and that God would grant me the ability to learn and grow as an Evangelist and Apologist. I would also greatly appreciate

prayer for my primary mission field which is my family, my wife and three teenage children. I also pray that God would stir the church to greater boldness to evangelize the world (starting at home) as we consider the Great Commission.

God bless you and thank you for supporting the open proclamation of the Gospel to see lives transformed.
